

# KINDERGARTEN NEWS

## AUGUST-SEPTEMBER 2010

Welcome to Kindergarten...where the children grow, don't you know!

We are looking forward to a wonderful year together filled with many "firsts" for you and your child.

Please come to school on Monday, August 30th with all of your school supplies.

Don't forget to label everything! Remember that our first day together is an orientation for both parent and child. Our day together will be from 8:00-10:00 a.m. only. There will be child care for those that need it starting at 10:00 a.m.

Tuesday we will begin our regular daily schedule which is 8:00 a.m. to 12:00 p.m. (1/2 days for the first two weeks)

SNACK: remember to send a snack to school daily... in a small baggie or brown sack ...we will discuss this more at orientation.

No snack is needed on the first day of school.

Now is the time to start getting to bed a little bit earlier each night so that when the school alarm rings children will be able to rise and shine!

Can your child write their first name so that it is readable yet? If not this is something to be working on now and as the first month of school unfolds.

Looking forward to the best kindergarten year yet!

Love,

Mrs. Witowich and Mrs. Phillips
