PTG Corner

Please remember to keep buying scrip to help support our school.

Jog-a-thon is coming February 23rd and 24th. Each class will participate during their scheduled P.E. class period.

March 16th is the Golf Tournament.

Parents please consider running for office in the PTG. Elections will be held in March.

This week in class

Math: We are working on chapter 14, subtraction concepts. We will continue to use hands-on activities to help us get an understanding of addition and subtraction. Please continue to encourage your child to add and subtract things around the house. We still need to work on our number formation. We are still seeing some reversals happening on class work.

Phonics: The letter that we will focus on this week is Ll. We will continue to work on our word families, rhyming words, and sight words. We will also be spending time practicing our handwriting skills. Please continue to use homework time to review letter/sound and sight words. All this work will make reading easier.

Science: We will be talking about the oceans and the life that is in them. We will also be talking about how we can share our ideas with each other.

Religion: Father Peter will be visiting our class on Monday. We will also be talking about how we belong to the church.

Sharing: What is your favorite sea creature?

FROM THE TEACHER

Reading books will go home starting this week. Please return the form each day signed and with a comment of how you feel your child did. I will have small group time with the children to go over their reading in class.

Please have your child thinking of what they can bring in for our 100th day celebration. Is it 100 stones, 100 Legos, or 100 stickers? Have them count out the items and getting the display together. We will have each child show their display on February 13th, the 100th day of school.

We will pass out valentine cards to our classmates on February 14th. Please have your child bring in 30 cards. They can sign the card, but please do not put the recipient name on the cards.
