Advent is the four week period before Christmas when the Church celebrates the first coming of Christ and anticipates his second coming. This year, 2011, Advent begins on November 27. Maranatha! Come, Lord Jesus!

The Writing Process

The writing process is a series of steps every writer goes through to create a *good* piece of writing. These steps will allow the fourth graders to work with their ideas, organize, reshape their thoughts, start over, add, delete, and play with the language until it is just right. In fourth grade, we will review each step, making sure they understand that a good piece of writing may go through some of these steps *several* times before it is ready to publish! We will then practice our computer skills by publishing our documents on the computer!

Coming soon: Structure of a five-paragraph essay!
