Contact us if you would like to begin the process of enrolling your child in St. Francis Catholic School. Simply fill out an application for enrollment form. All applications must include a copy of the child's:

- Birth certificate
- Baptism, First Reconciliation, and First Communion records (if applicable)
- Immunization record
- Most recent report card (Grades 1-8)

Once the application is received, all prospective students are given an **Entrance Assessment**. This assessment enables the principal and teacher to evaluate each student's academic strengths and/or areas of need. If any special need seems present, the principal will determine if these needs can be effectively met at St. Francis School.

Following the Entrance Assessment, a family interview with the principal will take place. This provides you with yet another opportunity to ask your questions about St. Francis of Assisi Catholic School. During the interview process, you will receive a **Registration Packet**. The school registrar will discuss tuition payment options and stewardship opportunities that help keep you involved in your child's education.
